WITH MONTE-CARLO SOCIÉTÉ DES BAINS DE MER

THREE MONACO GRANDS PRIX IN 2021

Get ready to experience the passion of the Monaco Grand Prix up close, with front-row seats to this top international sporting event brought to you by Monte-Carlo Société des Bains de Mer. Witness the past, present, and future. Bag yourself a trackside view, and catch every second of the three Monaco motor races - the ePrix, the Historic Grand Prix, and the legendary Formula 1 Grand Prix - all taking place in 2021 for an exceptional year of motorsport. The events masterminded by Monte-Carlo Société des Bains de Mer add a touch of glamour and sophistication, as well as the thrill and delight of a bespoke stay.

Historic Grand Prix

BACK TO THE BEGINNING:
23 to 25 April 2021

Every two years, the Historic Grand Prix takes centre stage a fortnight before the F1 Grand Prix with a line-up of carefully selected vintage cars. The authenticity and history of these cars, which date from the Eighties all the way back to 1929, also have an aesthetic appeal for many spectators. First staged in 1997, the 12th Historic Grand Prix continues its time travel adventure this year with 230 cars and 7 series, each named after one of 7 drivers.

For the vintage racers, it's about striving for perfection and putting on a show. This circuit is known for being a difficult, technically-demanding drive, and winning the race is as much of a challenge as ever. Get ready to see competition and vintage cars come together for what will be an unforgettable ride.

E-Prix

8 May 2021

For its fourth year, the Monaco ePrix will be showcasing top manufacturers of electric racers, and inviting along former F1 drivers. With the cutting-edge research taking place, the field is gaining ever more ground. The battery life of Gen2 Formula E cars mean drivers can complete the whole race in just one single-seater. In Attack mode, the motor is powerful enough to see out the 45-minute race as well as one extra lap of the circuit. The future is coming. The latest developments and innovations from car manufacturers are just round the next bend.

Formula 1 Grand Prix

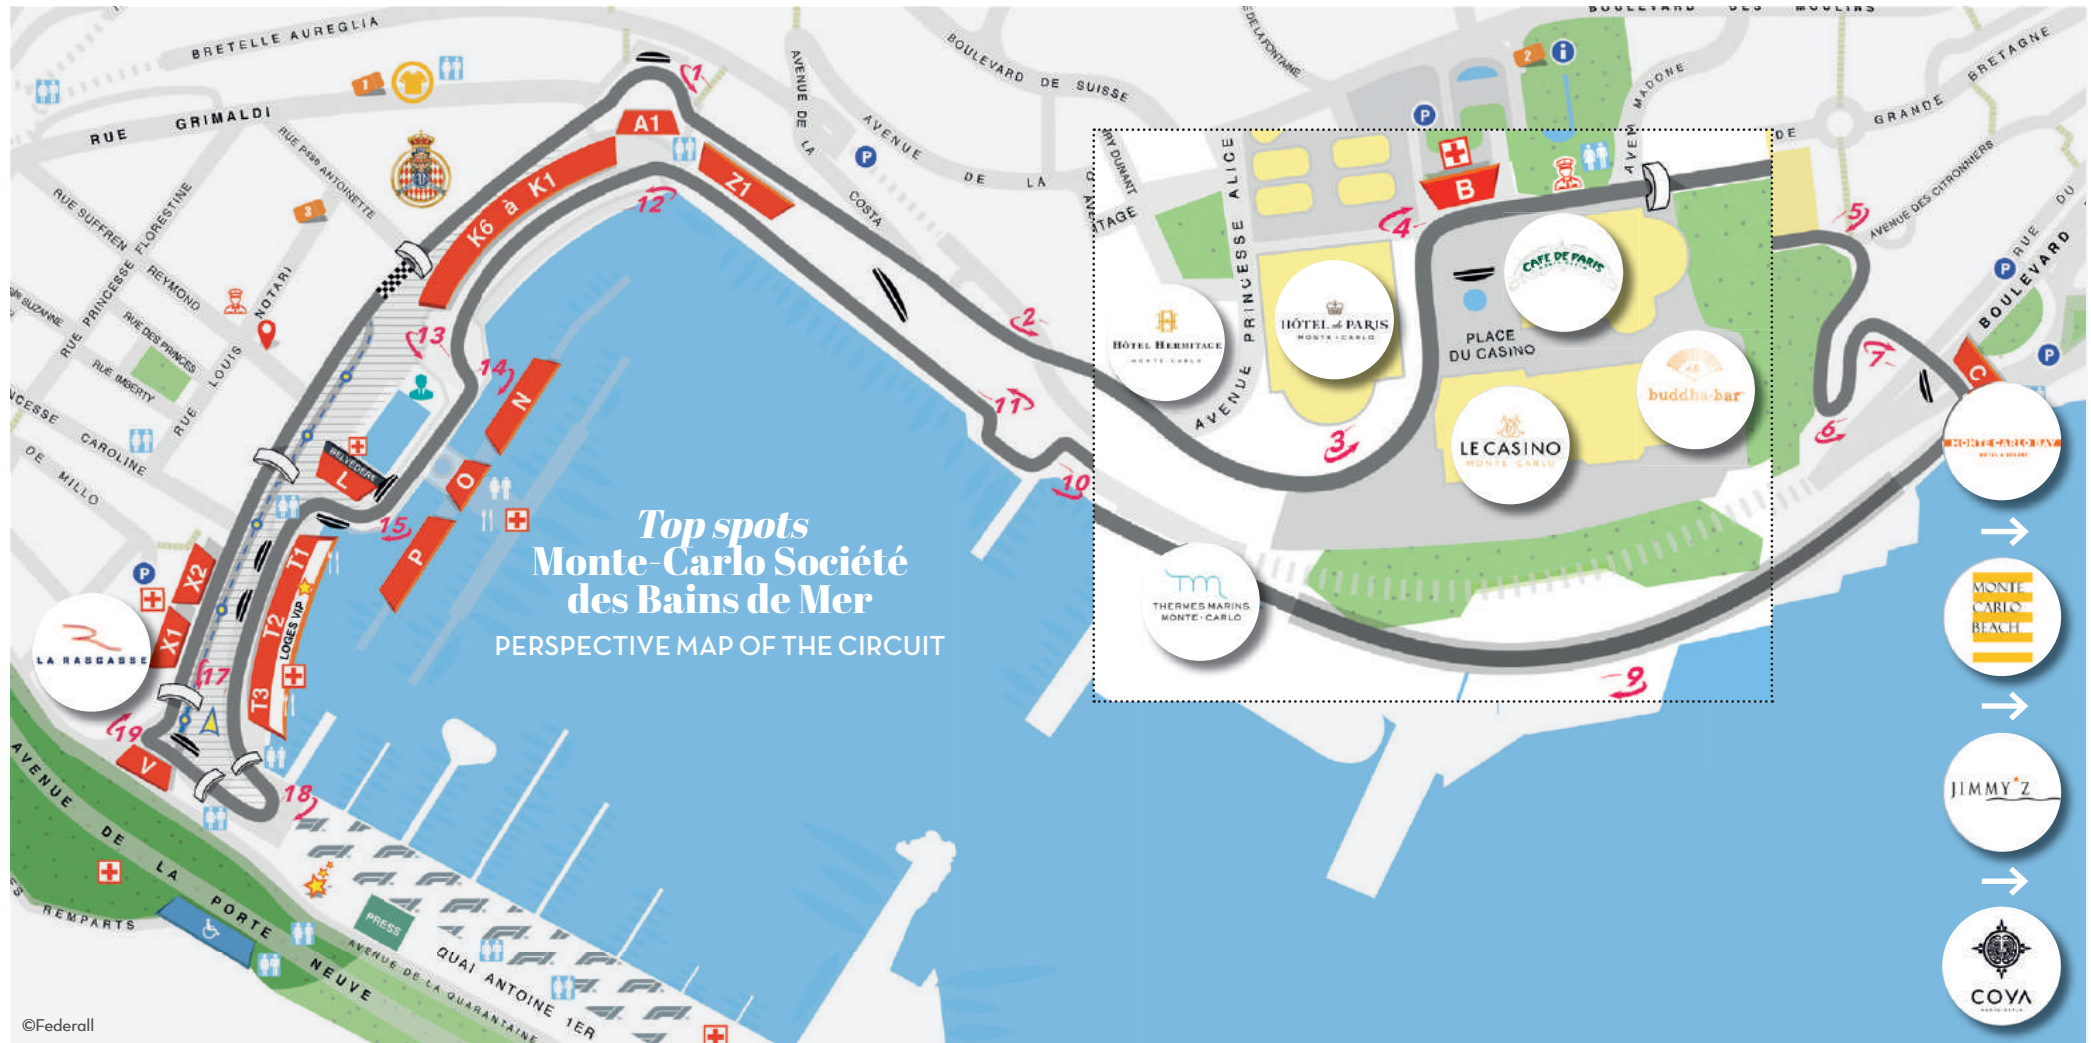

THE RACE OF LEGENDS: 20 to 23 May 2021

A bridge between Monaco's past and present, the Monaco Grand Prix circuit celebrates the Principality's global reach and status. It represents the best of the best of Formula 1, outrageous extravagance and the ultimate odyssey, and reveals in its unique spot on the F1 calendar every May. Here, the greatest drivers in the world go head to head between land and sea, on a city circuit mapped out by Anthony Noghès in 1929. Passion, cutting-edge technology and discipline are all part of vying for the privilege of experiencing the emotion of motor racing at the highest level. Monaco-born wonder boy Charles Leclerc will be driving for Ferrari in the 78th Monaco's Grand Prix and nursing the secret hope of becoming part of racing history.

VIEWPOINTS

Monte-Carlo Société des Bains de Mer offers the ultimate viewpoints for the Formula 1 Grand Prix. From the first corner at Sainte Dévôte all the way to the finish line, the Monaco circuit's 78 corners span a total of 260,286 kilometers, which are completed in under two hours at an average speed of 150km/h.

This legendary hotel has been totally transformed, and provides the stage for some of Monaco's finest moments now more so than ever. It hosts everything from major events, gambling and business trips to fine dining, all proclaimed in gold lettering around the hidden Jewellers' Courtyard. With a 180° view over the circuit, the palace embodies the heart and soul of the Grand Prix.

LOUIS XV - ALAIN DUCASSE À L'HÔTEL DE PARIS

Overlooking the legendary Place du Casino, the terrace at Le Louis XV - Alain Ducasse à l'Hôtel de Paris fills with the thrum of racing cars roaring around the third and fourth corners located not far from Alain Ducasse and Dominique Lory's 3-Michelin-starred restaurant. Lunch here is a creative, Riviera-inspired, fine dining experience.

SALLE EMPIRE

A Belle Epoque jewel in the crown of the Hôtel de Paris Monte-Carlo, the splendour of the Salle Empire is a perfect vantage point for one of the race's highlights. LE GRILL

On the eighth floor of the renovated rotunda at the Hôtel de Paris Monte-Carlo, Le Grill is both an institution and a breath of fresh air, with a view stretching across the Grand Prix circuit all the way from the Casino to Port Hercules and out to sea. Michelin-starred chef Franck Cerutti's menu celebrates the flavours of the Mediterranean.

BAR AMÉRICAIN

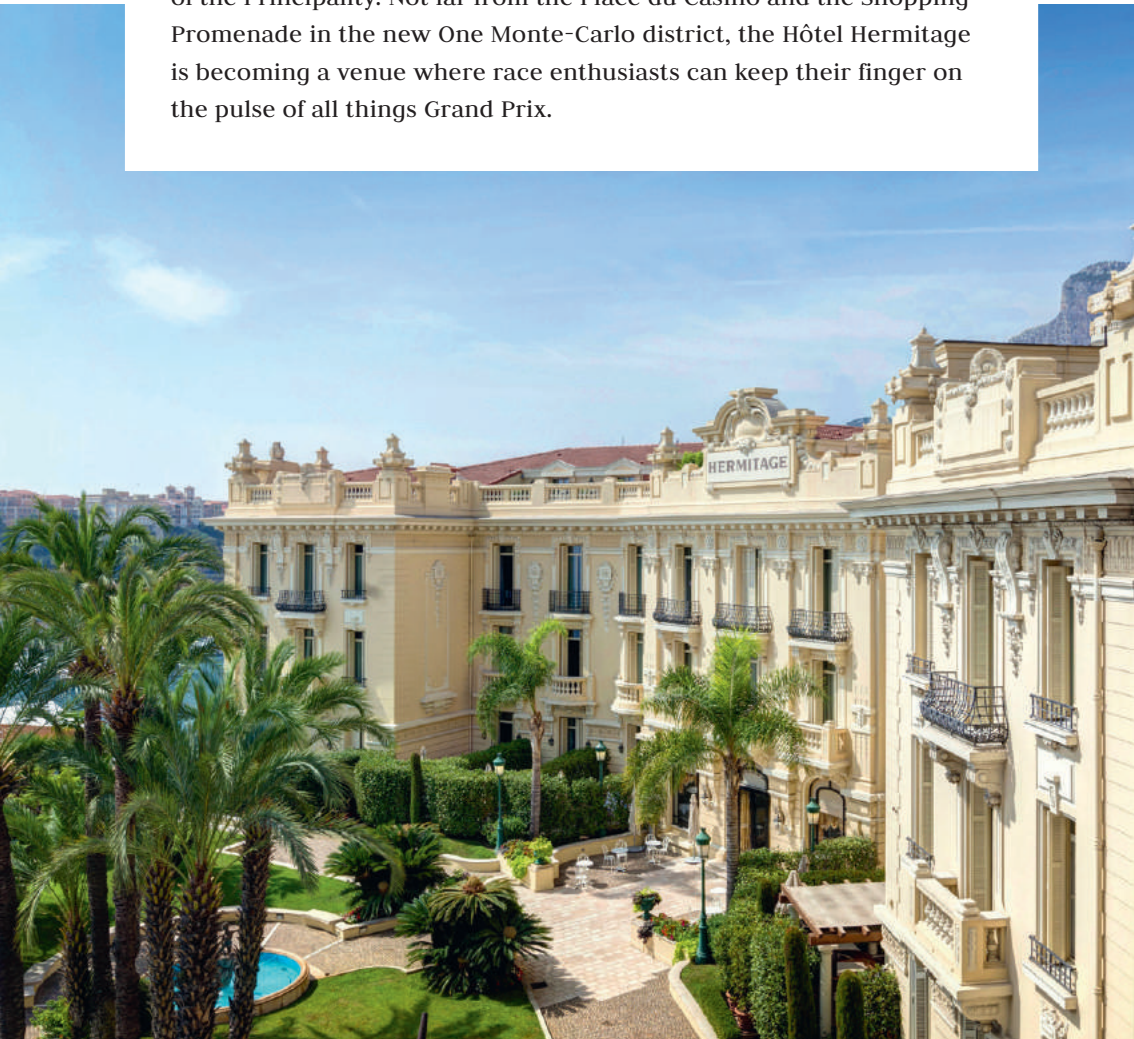

The intimate, cosmopolitan Bar Américain is the beating heart of Monte-Carlo. Opening out onto the gardens of the Hôtel de Paris Monte-Carlo, its terrace directly overlooks the Massenet corner opposite the Casino.
