BENEATH AMAZÓNICO, LIES SELVA

THE DARK SIDE OF THE JUNGLE

This Grand Prix, Limelight takes over the jungle for its most untamed edition yet.

Born from the underground in 1990, Limelight is the subversive label that pioneered international House in the world's most exceptional venues — Cannes, Ibiza, Paris, Saint-Tropez. Rare by design, its nights are ceremonies as much as parties.

Three nights. Midnight to closure. Residents and international headliners — Gennaro, Dennis Cruz, Franky Rizado — each set better than the last.

Limited standing tickets and tables with Champagne, premium bottles, and cocktail offerings.

Last entry 1:30 AM.
